MEMORANDUM FOR: Deputy [redacted], OSA
Deputy [redacted], OSA
Chief, [redacted], OSA
Chief, [redacted], OSA

SUBJECT : OSA/NRO Financial Cycle

1. Attached to this memorandum is the OSA/NRO Financial Cycle Chart and explanatory notes. It is my intention to issue this Financial Cycle in directive form after a suitable period of use and perhaps some resolution of details.

2. Please note that chart items are and should be brief and that the timing of tasks is generally dictated by events beyond OSA control. For this reason, the chart must stand as firm guidance to OSA for NRO Budget planning. The explanatory notes on the other hand should provide all necessary details for timely and effective planning. With this in mind, please examine the notes critically and, if necessary, suggest improvements. Programs Staff will consolidate all inputs and will put the directive in final form for publication.
